Jo Swinson

Leader of the Liberal Democrats

Jo Swinson won the Lib Dem leadership in July. She became the first woman and the youngest person to hold the position.

Jo was Britain's youngest MP when she defeated Labour to win her seat in 2005. As a Business Minister between 2012-2015, she successfully introduced shared parental leave and clamped down on unscrupulous payday loan lenders.

She has set out ambitious plans for the Liberal Democrats to win the next General Election and deliver a better future for our country.

REBUILD OUR ECONOMY

INVEST IN OUR NHS & SCHOOLS

TACKLE THE CLIMATE EMERGENCY

Britain today is less fair than ever. People who work hard and play by the rules should be able to get on in life, but our failing politics means that more and more people can't.

The Liberal Democrats will build an economy that works for everyone, not just the richest.

A MORE PROSPEROUS BRITAIN

By staying at the heart of a modernised EU, we can improve people's lives in every part of Britain.

A Lib Dem government will build an economy that works for everyone.

TACKLING THE CLIMAT

Climate change and air pollution threaten our future.

Working with the EU enables us to set high environmental standards and wor together to protect our planet. Global

E EMERGENCY

problems need global solutions. The Liberal Democrats will put Britain on a path to becoming carbon neutral at the earliest possible date.

PROTECTING OUR PUBLIC SERVICES

EU citizens make a huge contribution to our NHS, schools and care services.

1 in 10 NHS doctors are EU citizens, along with 13,000 teachers. In the EU, we can retain these vital staff and protect our right to live, work, study and retire across Europe.

The Conservatives' botched handling of Brexit has driven away thousands of healthcare workers in our NHS, increasing pressure on local services.

We need these workers to feel welcome in modern Britain.

THE LIB DEMS ARE WINNING

- The Liberal Democrats have continued to grow following their stunning success at the local and European elections in May.
- **Recent polls show support for the Liberal Democrats is now at record levels and Jo Swinson is the most popular party leader.**
- MPs from Labour and the Conservatives are joining the Lib Dems, fed up with the broken politics the two old parties represent.

WE HAVE A CLEAR CHOICE

The Conservatives want to force through a damaging Brexit that will wreck our economy and risk the end of the United Kingdom.

Who knows where Jeremy Corbyn stands on Brexit? Labour now say they want to negotiate their own Brexit deal.

A Liberal Democrat government led by Jo Swinson will stop Brexit on day one and get on with the job of improving people's lives.
